

Clinical Supervision FAQ's

Congratulations on taking the steps towards Professional Licensure! Please see below to determine if it is in your best interest to select me as your Clinical Supervisor

What license(s) do you hold?

- LPC in Pennsylvania & Delaware
- Licensed Professional Counselor in Pennsylvania (PC010297)
- Professional Counselor of Mental Health in Delaware (PC-011245)

How long have you been licensed?

- I have been licensed since 2018

What type of clinical work do you do?

- Presently: Outpatient online private practice; group counseling; nonprofit MH services; program development
- Prior Experience: Outpatient Drug & Alcohol; Group private practice; Community Mental Health; Case Management

Do you have any specialities?

- I specialize in treating Complex Trauma , Mood Disorders, & Relational Issues. I am trained in EMDR, IFS, and other Trauma-Based Interventions

If I am pursuing my LCSW can you still supervise me?

- Yes, but only for half of your hours. You will need to find another LCSW to supervise the other half

How will I get clients?

- If you are currently working at an agency/practice where you are seeing clients, but have no one to supervise you, I can supervise your work with those individuals
- If you do not have your own clients, I will assist you in acquiring clients

How much do you charge for supervision?

- \$65/1hr session
- \$120 if meeting 2x a month (bi-weekly)
- \$230 if meeting weekly every month

How frequent/long will we need to meet?

- This depends on how many hours you need towards your license. Typically, we will meet weekly for 1hr individual supervision. Group supervision is also available.

Where will we meet?

- Online, via Zoom
